Because land cost is quoted as a package, no refunds will be given for unused services at the reserved date.

Law suit

In the case of law suit, Pablo tour as a Peruvian company, will subject to the law, based on Peruvian tribunal and contracts.

Insurance

It is mandatory to get a health and repatriation insurance (from your country), in the uttermost case you do not desire to get any travel insurance, You will have to manifest it, so you can sign down a document to release us of any responsibility. we recommend you to take an insurance in your country.

Responsibility

Pablo tour does not take risks, not does take any for the sole responsibility of each participant, regarding the presentation of the documents that each government authority may ask.

We can only advice you regarding the formalities and all the documentation that should be shown to the police, customs and health department throughout all your travel.

Administrative documents

Pablo tour, does not take any responsibility in the case one participant shows or gets his complete documentation late. All the expenses will be assumed by the participant. Every travel that is interrupted because of the delay of one participant or any other reason will not have the right to receive a refund.

Risks

Each participant is aware that due to the nature of the travels we organize, there is some risk involved due to the absence of health centers, the maintenance of the roads, adventure tours,geography, simple tours, etc. Each participant must assume this knowledge having been explained the causes and must acknowledge that the company will not be hold responsible for any possible accident neither have the right to make a complain against neither to Pablo tour, or the guides, or any of our providers. We recomend buy a travel insurance from your country.

In order to ensure the safety of the group and, if the situation arises like: "weather issues, unforeseen or political events, Pablo tour reserves the right itself or through its intermediaries

Address: Jerusalen 400-AB-1 Arequipa - Peru "PabloTour"

To modify the means of transport, itinerary, departure and arrival dates, without any type of refund to the participants.

Each participant must abide by the rules of caution and follow the advice given by the guide or local providers. Pablo tour does not take responsibility for accidents that may result from an unconscious responsibility of a member of the group.

Pablo tour reserves the right to finish the contract made with the participant and to expulse him should his or her behavior may be considered dangerous or immoral to the rest of the group. There will be no refund.

Luggage

Each participant will be responsible for his or her own luggage throughout the whole travel. In the case it's lost, or delayed by the airline company, such expenses will be afforded directly by the passenger.

Flights

If your travel is modified because of air traffic congestion, the weather, etc, Pablo tour will not be hold responsible. The resulting expenses and extra charges will be afforded by the passengers.

Hotels

The category of hotels in Peru are defined by the local authorities and laws in Peru, according to their own policies and therefore can not be compared to those of European precedence.

Reservation and Prices

Telephone reservations are not accepted. Trip prices are subject to change due to the fluctuation of tariffs and currency exchange rates.

Force Majeure

In the case of events beyond our control, which may disturb the normal situation of the country (social and political problems, earthquake, strikes), Pablo tour reserves itself the right to modify or cancel the content of the travel. In the case the travel is cancelled, the payment corresponding to the reservations and the services already reserved will be kept.
